BIOSENSE  
MEDICAL

## WELCOME TO OUR ACCESSORIES CATALOGUE

Welcome to the 2019 edition of our accessories catalogue.

We are happy to discuss special pricing for bulk orders of any consumable products required.

We do try to ensure we keep a good stock of the catalogue items and we regularly monitor our delivery times to ensure we are able to send your items as quickly as possible.

For this edition of the catalogue, following feedback and in an effort to reduce our carbon footprint, we are supplying the catalogue electronically. However should you require a printed copy this can be accommodated upon request.

We accept orders sent by the following methods:

Email: [sales@biosensemedical.com](mailto:sales@biosensemedical.com)

Post: Biosense Medical Ltd., The Annexe, Combe House, Cranham Road, Little Waltham, Chelmsford, Essex, CM3 3NB

Web: [www.biosensemedical.com](http://www.biosensemedical.com)

Our office hours are Monday to Friday 8.30am to 4.30pm

Tel: 01245 495002

If you have any comments about our products or services, please contact us, here at Biosense Medical. We will be delighted to hear from you.

Thank you for your business.

Best Wishes

*Julie Baxter*

## CONTENTS

To assist you in finding the product that you are looking for we have sub-divided the catalogue into sections, which are colour coded.

<b>RECORDING ELECTRODES</b>	<b>pages: 4 - 6</b>
<b>PATIENT PREPARATION</b>	<b>pages: 7 - 9</b>
<b>EMG</b>	<b>pages: 10 - 11</b>
<b>ELECTRO-CAP</b>	<b>pages: 12 - 13</b>
<b>SYNAPSYS ACCESSORIES</b>	<b>pages: 14</b>
<b>TEKSCAN</b>	<b>pages: 14 - 15</b>

## ORDERING INFORMATION

Please provide the following information when ordering:

- Product Number
- Quantity Required
- Price
- Invoice Address
- Delivery Address
- Order Number
- A Contact Name

**Tel: 01245 495002**

# Recording Electrodes

## SLE reusable stick-on electrodes

1m multi-coloured silicon wire with touch-proof plugs (set 24)

Chlorided silver	6mm diameter	<b>B0166/10</b>	£ 273.00
Chlorided silver	9mm diameter	<b>B0196/10</b>	£ 278.00
Gold-plated silver	6mm diameter	<b>B0167/10</b>	£ 315.00
Gold-plated silver	9mm diameter	<b>B0197/10</b>	£ 324.00

## Long cable sets

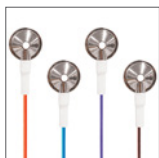

Chlorided silver	9mm diameter, 1.5m cable	<b>B0196/15</b>	£ 304.00
Chlorided silver	9mm diameter, 2m cable	<b>B0196/20</b>	£ 304.00
Gold-plated silver	9mm diameter, 1.5m cable	<b>B0197/15</b>	£ 340.00
Gold-plated silver	9mm diameter, 2m cable	<b>B0197/20</b>	£ 345.00

## Technomed reusable stick-on electrodes

1m multi-coloured (6) wire with touch-proof plugs (set of 12)

Chlorided silver	10mm diameter	<b>B0338/10</b>	£ 69.00
Gold-plated silver	10mm diameter	<b>B0338/11</b>	£ 69.00

## MediMax reusable stick-on electrodes

1.5m multi-coloured (10) wire with touch-proof plugs (set of 10)

Silver	10mm diameter	<b>B0338/50</b>	£ 67.00
Gold-plated silver	10mm diameter	<b>B0338/60</b>	£ 75.00

## Electrode cleaning brush

For easy removal of gel, paste or adhesive, (single)

**B0327/01** £ 15.00

## Ear Electrode (pair)

Chlorided silver, TP, 1m cable

**M1043/01**

£ 42.00

## Jump link cable

TP connector, (single)

**M0485/11**

£ 16.00

## Disposable non-metallic silver chloride electrodes

Chlorided silver	10mm diameter, (pot of 500)	<b>M0835</b>	£ 97.00
Connection cables for M0835, (pack of 10)			
Offset plug	touch proof, 1m cable	<b>M0836</b>	£ 68.00
Straight plug	touch proof, 1m cable	<b>M0836/01</b>	£ 55.00

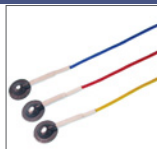

## Disposable surface electrodes with cable

### Ambu disposable

Chlorided silver, TP  
1m cable, (set of 10)

**M0833/10**

£ 7.35

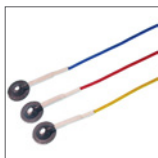

### Technomed disposable

Chlorided silver, TP  
1m cable, (set of 25)

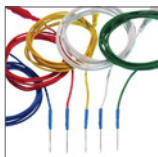

**M0833/20**

£ 19.00

## MediMax disposable surface electrodes with cable

Chlorided silver	1m cable (set of 25)	<b>M0833/100</b>	£ 9.45
Chlorided silver	1.5m cable (set of 25)	<b>M0833/150</b>	£ 9.45

## Disposable sub-dermal needle electrodes

0.4 x 12mm	touch proof, 1m cable, (set of 24)	<b>B0342</b>	£ 52.50
------------	------------------------------------	--------------	---------

We are always happy to discuss your specific consumable requirements. If the product you are looking for does not appear in our catalogue, we will always be happy to try and source it for you.

# Recording Electrodes

## Hydra-gel electrode

Disposable, fixed cable  
 (pack of 12), **M0468/12**  
 £ 23.50

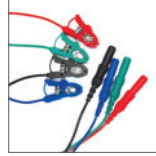

## "Wet-gel" electrode

Disposable, clip-stud  
 (pack of 25), **M0871**  
 £ 33.50

## "Wet-gel" electrode

Disposable, 1m cable  
 (pack of 10), **M0872**  
 £ 18.00

## Clip-stud cables

Reusable, 4 colours  
 (pack of 4), **M0870**  
 £ 31.50

## Ambu White Sensor disposable press-stud electrodes

(pack of 60)	<b>M0588</b>	£ 55.00
(pack of 300)	<b>M0476</b>	£ 215.00

## Press-stud electrode leads

60cm cable, touch proof, colour may vary (5 pack)	<b>M1042</b>	£ 64.00
---	--------------	---------

## Ambu disposable tab electrode

33x21mm	(pack of 500)	<b>M0814/05</b>	£ 66.00
---------	---------------	-----------------	---------

## Nuprep skin prepping paste

It's mild abrasive formula effectively lowers impedance and improves conductivity to help achieve maximum efficiency with your equipment

114g tube	<b>B1022</b>	£ 9.75
114g tube (pack of 3)	<b>B1022/03</b>	£ 23.00
114g tube (pack of 12)	<b>B1022/12</b>	£ 76.00
25g tube (pack of 6) <i>????</i>	<b>B1122</b>	£ 15.00

## Ten20 conductive adhesive

Contains the right balance of adhesiveness and conductivity, enabling the electrodes to remain in place while allowing the transmittance of electrical signals.

114g jar	<b>B1020/04</b>	£ 8.00
114g jar (pack of 3)	<b>B1020/04/03</b>	£ 20.00
114g tube	<b>B0349</b>	£ 8.00
114g tube (pack of 3)	<b>B0349/03</b>	£ 18.00
114g tube (pack of 12)	<b>B0349/12</b>	£ 62.00
228g jar	<b>B1020/08</b>	£ 11.00
228g jar (pack of 3)	<b>B1020/08/03</b>	£ 29.50
228g jar (pack of 12)	<b>B1020/08/12</b>	£ 110.00

## SLE Collodion adhesive

6.5ml tubes	(pack of 10)	<b>B0005/10</b>	£ 42.00
6.5ml tubes	(pack of 20)	<b>B0005</b>	£ 74.00
6.5ml tubes	(pack of 50)	<b>B0005/50</b>	£ 176.00

“ Biosense Medical are the official distributor for SLE Collodion in the UK and Ireland ”

## Adhesive remover

Acetone-free	480ml bottle, (single)	<b>B0005/01</b>	£ 46.00
--------------	------------------------	-----------------	---------

## Alcohol Prep Pads

pack of 200

**M0513/02**

£ 25.00

## Gauze sponge squares

pack of 200

**B0347**

£ 15.00

## Red Dot Dry Prep Tape

grittied paper for skin preparation (each)

**M0589/3M/01**

£ 9.00

grittied paper for skin preparation (pack of 3)

**M0589/3M**

£ 25.00

## Lemon Prep skin prepping paste

"Lemon" Citrus abrasive paste, 4oz tube

**B0345**

£ 10.50

## Spectra electrode gel

60g tubes, pack of 12

**B1021**

£ 40.00

## Signa electrode gel

60g tube, pack of 12

**B1021/01**

£ 58.00

## Chinagraph pencils for skin marking

Red Chinagraph

(pack of 12)

**B0012/01**

£ 20.50

Blue Chinagraph

(pack of 12)

**B0012/02**

£ 20.50

Black Chinagraph

(pack of 12)

**B0012/03**

£ 20.50

Yellow Chinagraph

(pack of 12)

**B0012/04**

£ 20.50

## Adhesive tapes

Blenderm adhesive tape, 25mm x 4.5m, pack of 12	<b>M0657</b>	£ 21.00
Transpore adhesive tape, 25mm x 9.1m, pack of 12	<b>M0657/20</b>	£ 20.00

## Double-sided sticky disks for electrodes

(pack of 1000)

**B1024**

£ 108.15

## Fibreglass tape measure

(single)

**B0013**

£ 8.00

## Disposable blunted scarifying needles

(pack of 25)

**B0004/04**

£ 75.00

## Reusable blunted scarifying needles

(pack of 12)

**B0004/02**

£ 63.00

## Disposable combs

(pack of 72)

**B0327**

£ 57.75

## Cotton tips

pack of 1000

**B0346**

£ 27.50

## Patient neck roll pillow (colour may vary)

Large	6" diameter x 19" length	<b>B0320/01</b>	£ 31.50
Medium	4" diameter x 19" length	<b>B0320/02</b>	£ 31.50

## SLE Electrode applicator & replacement airgun tip

Compressor air-gun applicator	<b>B0112</b>	£ 166.00
Replacement air-gun tip for B0112	<b>B0113</b>	£ 55.00

### Technomed Silverline disposable EMG needle electrodes

Disposable concentric needle with coloured hubs (pack of 25)

Concentric	25mm x 30G , red hubs	<b>M0760/01</b>	£ 75.60
Concentric	25mm x 27G, yellow hubs	<b>M0760/02</b>	£ 75.60
Concentric	30mm x 30G, pink hubs	<b>M0760/03</b>	£ 75.60
Concentric	37mm x 26G, green hubs	<b>M0760/04</b>	£ 75.60
Concentric	50mm x 26G, blue hubs	<b>M0760/05</b>	£ 75.60
Concentric	75mm x 23G, violet hubs	<b>M0760/06</b>	£ 75.60

Connecting cables for Technomed Silverline disposable EMG needle electrodes

Reusable Cable	1.2m cable with DIN connection	<b>M0760/30</b>	£ 35.70
----------------	--------------------------------	-----------------	---------

### Technomed reusable Single Fibre EMG needle electrodes

Concentric	25mm x 27G , brown hubs	<b>M0760/20</b>	£ 267.75
Concentric	40mm x 26G, black hubs	<b>M0760/21</b>	£ 267.75

Connecting cables for Technomed Single Fibre EMG needle electrodes

Reusable Cable	1.2m cable with DIN connection	<b>M0760/30</b>	£ 35.70
----------------	--------------------------------	-----------------	---------

### Stimulation / Recording bar electrode

Bipolar 6.5 x 20mm felt electrode, 150cm cable

TP connector	25mm electrode distance	<b>M0731</b>	£ 85.05
DIN connector	25mm electrode distance	<b>M0731/02</b>	£ 85.05

Replacement felt electrodes

For use with M0731 & M0731/02, (pack of 50)	<b>M0733/01</b>	£ 32.00
---	-----------------	---------

### Stainless-steel NCV electrode

Bipolar 10mm discs, 100cm cable

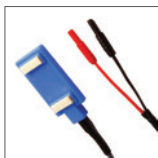

TP connector	30mm electrode distance	<b>M0734</b>	£ 58.00
DIN connector	30mm electrode distance	<b>M0734/02</b>	£ 58.00

### Stimulation electrode

Hand held or secured with a band, felt or stainless electrodes, 150cm cable

TP connector	25mm electrode distance	<b>M0730</b>	£ 103.00
DIN connector	25mm electrode distance	<b>M0730/02</b>	£ 103.00
Replacement felt electrodes			
For use with M0730 & M0730/02, (pack of 50)		<b>M0733</b>	£ 32.00

### Stimulation / Recording bar electrode

Bipolar 6.5 x 20mm felt electrode, 150cm cable

TP connector	40mm electrode distance	<b>M0732</b>	£ 91.00
DIN connector	40mm electrode distance	<b>M0732/02</b>	£ 91.00
Replacement felt electrodes			
For use with M0732 & M0732/02, (pack of 50)		<b>M0733/02</b>	£ 32.00

### Pair of stainless-steel ring electrode

TP connector	100cm cable	<b>M0736</b>	£ 71.00
DIN connector	100cm cable	<b>M0736/02</b>	£ 55.00

### Ground strap electrode

Dry use, with press-stud connector complete with press-stud cable for use with ground strap.

TP connector	2.5 x 40cm band	<b>M0740</b>	£ 61.95
--------------	-----------------	--------------	---------

### Disposable ground electrode

TP connector	100cm cable, (pack of 25)	<b>M0742</b>	£ 42.00
TP connector	100cm cable, (pack of 20)	<b>M0742/02</b>	£ 26.00

## Electro-Cap

### Electro-Cap Green

Extra small, 46-50cm

**M0528/01**

£ 220.00 (each)

### Electro-Cap Yellow

Small, 50-54cm

**M0528/02**

£ 220.00 (each)

### Electro-Cap Red

Medium, 54-58cm

**M0528/03**

£ 220.00 (each)

### Electro-Cap Blue

Large, 58-62cm

**M0528/04**

£ 220.00 (each)

### Infra Cap

Infra Cap I -Blue	42-46cm, full 10:20 placement	<b>M0502</b>	£ 183.75
Infra Cap II -Pink	38-42cm, modified 10:20	<b>M0503</b>	£ 183.75
Infra Cap III -Brown	34-38cm, modified 10:20	<b>M0504</b>	£ 183.75

### Body Harness

Small	53-76cm, (single)	<b>M0530/01</b>	£ 37.00
Medium	76-112cm, (single)	<b>M0530/02</b>	£ 37.00
Large	112-132cm, (single)	<b>M0530/03</b>	£ 37.00

### Infra Body Harness

Infant Electro-Cap body harness	<b>M0505</b>	£ 37.00
---------------------------------	--------------	---------

### Electro-board adapter

Touch proof plugs	<b>M0529</b>	£ 80.00
-------------------	--------------	---------

### Disposable sponge disks

Foam circles with adhesive backing, (pack of 100)	<b>M0533</b>	£ 32.55
---	--------------	---------

## Electro-Cap

### Ivory detergent

14oz bottle

**M0541**

£ 15.00

### Quick-insert electrode

with touch proof plug

**M0531/01**

£ 14.70

### Needle / Syringe Kit

1 x syringe & 2 x needles

**M0534**

£ 7.35

### Electro-cap tape

Tape measure (single)

**M0537**

£ 12.00

### Electro-Cap Chin Strap

5" strap (single)

**M0548/01**

£ 18.90

7" strap (single)

**M0548/02**

£ 18.90

### Electro-Gel

16oz jar

**M0536/16**

£ 15.00

128oz jar

**M0536/128**

£ 90.00

### Electro-Cap Straps

Used to hold the cap securely in place by attaching to cap & body harness

Cap strap extra small

**M0538**

£ 19.95

Cap strap small

**M0538/01**

£ 19.95

Cap strap medium

**M0538/02**

£ 19.95

Cap strap large

**M0538/03**

£ 19.95

All products can be viewed and purchased through our website [www.biosensemedical.com](http://www.biosensemedical.com)

## Reusable Synapsys VNS mask & accessories

Reusable VNS mask with foam & junction (single)	<b>SYN002</b>	£ 71.40
Head Band	<b>SYN003</b>	£ 22.05
Occluder	<b>SYN004</b>	£ 22.05

## Disposable Synapsys VNS mask & accessories

VNS mask & 5 pairs of disposable foam cushions	<b>SYN005/05</b>	£ 78.00
Replacement disposable foam cushions, (pack of 10)	<b>SYN005</b>	£ 37.00

## Replacement Irrigator Tubing

For Difra brand irrigators, (pack of 10)	<b>IRR001</b>	£ 10.50
--	---------------	---------

# Tekscan

## Trimmiable In-shoe sensors for PCI style F-Scan system

F-Scan standard sensor (3000), pack of 10	<b>TK001</b>	£ 410.00
F-Scan "extra sensitive" sensor (3000), pack of 10	<b>TK001/01</b>	£ 410.00
F-Scan sport sensor, (3000 sport), pack of 10	<b>TK007</b>	£ 470.00
F-Scan long handle (3001), pack of 10	<b>TK001 LH</b>	£ 525.00
F-Scan sport long handle (3001 sport), pack of 10	<b>TK007 LH</b>	£ 620.00

## Trimmiable In-shoe sensors for VersaTek style F-Scan system

F-Scan standard sensor (3000E), pack of 10	<b>TKV001</b>	£ 410.00
F-Scan "extra sensitive" sensor (3000E), pack of 10	<b>TKV001/01</b>	£ 410.00
F-Scan sport sensor, (3000E sport), pack of 10	<b>TKV007</b>	£ 470.00
F-Scan long handle (3001E), pack of 10	<b>TKV008 L</b>	£ 525.00
F-Scan sport long handle (3001E sport), pack of 10	<b>TKV007 L</b>	£ 620.00

## CONFORMat sensor for USB/EVO and VersaTek style systems

CONFORMat sensor for USB/EVO system (5330)	<b>TK013/01</b>	£ 1,430.00
CONFORMat sensor for VersaTek system (5330E)	<b>TK013</b>	£ 1,430.00

## Matscan / Mobile Mat carry case

Soft protective case with should strap	<b>TK009</b>	£ 185.00
--	--------------	----------

## Interface cable for VersaTek style system

VersaTek Wireless cord, 1.3m cable, (single)	<b>TKV100</b>	£ 33.00
VersaTek Tethered cord, 10m cable, (single)	<b>TKV104</b>	£ 15.00

## Wireless / Datalogger battery pack

Use with TKV102, (single)

**TKV101**

£ 121.00

## Wireless / Datalogger battery pack charger

Dock for use with TKV101

**TKV102**

£ 123.00

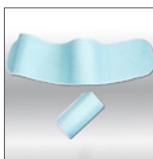

## Wireless / Datalogger charger power supply

Use with TKV102, (single)

**TKV103**

£ 76.00

## F-Scan Ankle Straps for all systems

Blue Velcro strap, (single)

**TK014**

£ 31.00

“ Tekscan manufacture many different sensors of varying shapes and sizes. Biosense Medical can advise on a suitable sensor whatever your application so give us a call today on **01245 495002**. ”

## STANDARD CONDITIONS OF SALE

<b>Product Description</b>	Product descriptions are subject to alteration without notice and are not binding.
<b>Prices</b>	All prices shown exclude VAT, which will be added unless exempt. Prices may be altered without prior notice. Prices shown are correct at time of print.
<b>Minimum Order Value</b>	Our Minimum order value is £25 excluding VAT.
<b>Delivery and Handling</b>	All items are shipped using an insured courier service for standard next day delivery (prior to 5pm). A carriage and handling charge is added to all orders. An upgraded service is available at extra cost (dependent upon availability), please contact us regarding this.
<b>Delivery of Goods</b>	Our aim is to despatch goods within 5 days of receipt of order, subject to stock availability.
<b>Damaged Goods</b>	Any claim for goods delivered damaged, must be made within 2 working days from delivery and in writing. Any damage to packaging must be noted on the courier's documentation at the time of delivery. Goods and packaging must be retained for inspection.
<b>Payment of Accounts</b>	Open credit terms are automatically provided for all hospitals in the UK and Ireland. Private companies or individuals are subject to approval following credit application. Payment should be made within 30 days of invoice date. We reserve our statutory right to claim interest (currently 8% over BoE base rate per annum) in addition to compensation under the late payment legislation, if we are not paid according to our credit terms.

## RETURN OF GOODS

### General

No goods should be returned to Biosense Medical without prior discussion with the Company. The returned goods must display the relevant GOODS RETURNS NUMBER (GRN). This number must appear on the outside of the packaging or be referenced on the accompanying documentation.

Goods return authorisation must be obtained from our Sales Administration. The returned goods should include as part of the accompanying documentation:-

- Original order number and date.
- Biosense Medical delivery note and reference.
- The GRN reference number.
- Description and quantity of the goods. NB – only whole sealed packets/boxes will receive credit.
- The reason for return of item(s).

### Goods Incorrectly Despatched

If the incorrect goods are dispatched against a correct customer purchase order, the goods should be returned immediately in the original packaging and Biosense Medical will pay the carriage. The correct goods will be dispatched as quickly as possible.

## Goods Incorrectly Ordered

Goods correctly despatched, but incorrectly ordered by the customer, should be returned carriage paid and, provided the goods are received back in a new condition and within 14 days of the original despatch date, a Credit Note will be issued, less a 10% restocking charge.

THIS EXCLUDES ANY ITEMS SPECIFICALLY MANUFACTURED TO A SPECIAL ORDER.

Purchased items, which have since become surplus to requirement, will be repurchased less 20% provided that they have not been opened or used, and are in a saleable condition within expiry date.

The following exceptions apply where no credit will be given:-

- Sterile products or products with a 'use by' date.
- Sterile numbered items more than six months after the date of dispatch.
- Batteries.
- Special Order items.
- Tekscan sensors

## Goods Damaged in Transit

Goods received damaged in transit should only be returned after discussion with Biosense Medical and after notification of the damage to the carrier, within 3 days of delivery. Only items that have been signed "damaged" by the recipient at the time of delivery will be considered for return.

Biosense Medical reserves the right not to accept returned products/equipment unless the above requirements have been met.

## Trademark Information

Micropore is a registered trademark of 3M Corporation; Nuprep and Ten20 are registered trademarks of Weaver Company; Sigma and Spectra are registered trademarks of Parker Laboratories Incorporated; Lemon Prep is a registered trademark of Mavidon.

Biosense Medical Ltd have tried to ensure that the information contained in this accessories catalogue is accurate, however we do not accept liability for any inaccuracies or errors. Biosense Medical Ltd reserves the right, without prior notice or liability to withdraw or alter information at any time. This does not effect your statutory rights.
